

IQUA Vogue

Iqua Bluetooth® Wireless Headset BHS-603

Iqua wireless headset BHS-603 is a simple and stylish headset which fits perfectly to your ear. Its light weight and elegant natural color make it discreet and give the user total freedom to talk while hands are free.

You can answer or end a call, redial and use voice dial and even switch the call between phone and your headset using a single button! In addition to its comfortability, the BHS-603 has advanced technical features which allow the user to enjoy the crystal clear sound and wireless VOIP calls. The BHS-603 is a perfect headset for people with high demand on both design and functionality.
